

# DRYMASTER'S NO-RISK TRIAL APPLICATION

**YES DRYMASTER!** I want to be one of an exclusive group of DRYMASTER affiliates and make money as a Professional and owner of my own Carpet Cleaning Company. At last, I want to start my own business. I want to be my own boss, choose my own hours, work when I want.

I understand, unlike franchise offers, as a DRYMASTER affiliate I don't share my profits with anyone. That means every dollar I make is 100% mine to keep. In addition, there are no monthly franchise fees, dues or royalties ... ever!

I understand I have up to ONE FULL YEAR after shipment of my DRYMASTER machine and start-up materials, to inspect them and decide whether this is the business I want to be in. If I should decide not to continue and return the money-making kit within 30 days after reviewing it, you will refund me in FULL any monies I have paid you, in accordance with the plan I have checked below. If I elect to keep it, I still have one-half reimbursement up to a **ONE FULL YEAR** thereafter! (Less S&H, restocking fee, the cost of any material used or abused equipment). RUSH me my Complete Professional Carpet Cleaning Business OR Upholstery & Area Rug Cleaning Business which includes everything I need to start making money immediately. I understand I will receive with my complete start-up package enough cleaning supplies to recoup my full investment back and more (please see reverse side of this order form for a complete breakdown of what you receive with each business package).
